* Prices are based on the minimum hour requirements to complete the required training. It is not guaranteed you will complete your training in the number of hours or time frame stated. In some cases, additional training may be required for you to complete. Should you exceed any flight/ground hours or require additional accommodations, you will be responsible for the additional costs.

ALSIM ALX Simulator hours are subject to simulator availability. In case the simulator is not available, they will be replaced by airplane flight hours with additional surcharge.

Fuel surcharges are subject to change, depending on current costs of fuel. Should there be a significant increase in fuel costs, additional cost may apply and be your responsibility.
